ABOUT US

Wisdom Tea House is located in a recently renovated 1890's building: the renovation references Territorial Style architecture which honors both the building's age and its location in downtown Historic Monument. Our brick courtyard offers tranquil outdoor seating with a view of the Front Range. The tea house has a sitting room with fireplace and upholstered vintage furniture, a dining room seating up to 16 guests, and two upstairs rooms available for private meetings or parties. Free Wi-Fi Internet access is available.

Wisdom Tea House infuses life with tea, conversation, and art through fine food and drink, and art events that spark conversation and build community. Special events include live music, art exhibitions, and artist receptions. See our website for a schedule of events.

We offer over 75 premium quality loose-leaf teas, French press coffee, and other beverages. Our all day menu offers savory soup, salads, quiche, breakfast burritos, sandwiches, and delicious desserts. Traditional afternoon tea is served from 2 pm to 5 pm by reservation. We also feature artisan gelato and sorbetto. Coffee and teas are available for purchase, and we sell teapots and accessories.

Directions: Exit I-25 at Monument (exit 161); turn left (west) at the traffic light. Located one-half mile west of I-25 on Second Street.
